

HORIZON[®] Decking

fiberon[®]

Beautiful outdoor living, built for life™

Horizon Ipe Decking

Fiberon Horizon Decking is the industry leader in providing the most dramatic tropical looks and resilient surface available in composite decking. It's unmatched multi-color offerings feature a 25-year, industry first, stain and fade warranty. Capped on all four sides, patent-pending PermaTech technology provides protection and durability for the ultimate in beautiful, low maintenance, composite decking, also backed by a 25-year limited performance warranty.

Horizon Rosewood Decking

Horizon Tudor Brown Decking

Horizon Castle Gray Decking

Horizon Greystone Decking

Fiberon Railing delivers design versatility with rich color choices and infill options. Designed to coordinate with Horizon decking, also complements all other Fiberon decking to complete your backyard oasis. Fiberon Railing is backed by a 20-year limited performance warranty.
